

ASSIGNMENT OF COPYRIGHT, CONSENT, AND PHOTO RELEASE FORM

Focus on youth is at 501 (c)(3) non-profit photography project for youth. Focus on youth schedules exhibitions and public displays of the youth and their work both to celebrate and acknowledge the creative accomplishments of our students and to share their perspective. Any proceeds from sale of photographs, books etc are maintained by Focus on Youth to support the project.

ASSIGNMENT OF COPYRIGHT: The parties understand that the copyright of any and all photographs taken or writing produced as part of the project will be shared equally by Focus on Youth and the individual student photographer. Focus on Youth, and the individual photographers have the right to use, publish and license the use of any photography and/or writing for any and all purposes. The individuals signing this agreement on behalf of the youth hereby appoints Focus on Youth as the attorney in fact to execute any copyright registration or other documents consistent with this agreement. Focus on Youth will attempt to keep the negatives produced as part of the project for five years. During such time, students may have access to their negatives under suitable supervision of Focus on Youth staff and volunteers. Five years after the date any photograph is taken the photographer is free to take his or her negative from where the negatives are stored.

CONSENT: The parties hereby give permission to Focus on Youth to use any photograph taken by the student or in which the parties are subjects. The parties recognize that photograph to which they are subject may be displayed and published in any form which Focus on Youth deems fit.

RELEASE: All persons participating in the Focus on Youth photography project and all parents and/or guardians of such person hereby waive forever all claims or causes of action against Focus on Youth staff and consultants, and volunteers for injury, accident, illness, or other conditions arising out of or occurring during, or connected with a Focus on Youth related activities.

Photographs taken of students and by students will be used for Focus on Youth photography exhibitions, brochures, newsletters, cards, calendars, book, web, educational purposes and public awareness or promotional purposes. This includes use of photographs for all purposes by Focus on Youth. I authorize the use of photographs of and taken by:
